## Firm News – November, 2019

### Janet M. Bills Recognized for 40 Years of Service

**Janet M. Bills**

*Enrolled Agent*

Moorman, Harting and Co. would like to congratulate Janet Bills, an enrolled agent, for her 40 years of dedicated service to our firm. Over the past 40 years, Janet has provided quality tax and accounting services to a large number of individual, business and agricultural clients. She provides services to various entities including partnerships, corporations and limited liability companies. She is licensed to practice before the Internal Revenue Service in audits and tax related matters. Janet continues to prepare a variety of complex individual, agricultural and business returns for numerous clients.

She is also a member of the firm's Leadership Team which provides guidance and direction to the firm's future growth.

Janet's professional commitment includes a minimum of 24 hours annually for professional education, which enables her to provide the best possible service for all of her clients. Many of them have expressed their appreciation of both her dedicated service and attention to detail. Janet states, "I feel very blessed to be able to work with such a great team at Moorman, Harting & Co. and also with the many wonderful clients I have helped serve over the past 40 years with tax and accounting issues."

Janet resides in St. Henry with her husband Terry. They have four children and three grandchildren.

## Payroll Lunch & Learn

On Thursday, November 21, 2019 Moorman, Harting & Company held a Payroll Lunch & Learn at the Coldwater Depot.

We feel it is important to keep our clients informed of the changes coming to payroll.

After lunch was served, our Payroll Team went over various topics including:

- Changes coming on the W-4 form and the exemptions being phased out for 2020
- The importance of having an I-9 on file for each employee
- Ohio New Hire Reporting
- Child Support and Garnish rules
- Overtime Rules and Blended Overtime rates
- Retirement withholding limits for 2020
- Time Clock integration

Thanks to all who attended. If your payroll is taking up more time than it should, contact one of our Payroll Specialists and let us free up your time so you can do what you do best . . . .

Run your business.

A few of the services we provide are, Direct Deposit, New Hire Reporting, Time Clock Integration or Remote Entry, Client Portals for 24/7 access to your digital reports, Employee Self-Service portals, Submission of tax payments.
