Fax: 419-586-8812

kbroering@moormanharting.com

Kelly is an Enrolled Agent, which qualifies her to represent clients before the Internal Revenue Service (IRS) in audits and tax related matters. She attends continuing education courses to ensure the highest level of service to her clients. Kelly is also the Manager of Accounting Technology and is a member of the firm's Leadership Team. Kelly has been employed with Moorman, Harting & Company since 2002, and specializes in the following services:

- Provides tax and accounting services to a variety of businesses and farms
- Provides advice to various types of entities including corporations, limited liability companies, partnerships and sole proprietorships
- Assists individuals, partnerships, etc., with minimizing their tax liabilities
- Preparation of payroll and sales tax reports
- Implementation and utilization of various accounting software including Client Access, QuickBooks, Peachtree and MYOB related services

Kelly is a graduate of Celina Senior High School and has an Associate's Degree in Accounting from Wright State University. She has nearly 20 years of accounting and tax experience. Kelly resides in St. Henry, Ohio with her husband Joe, and their three sons.

"I enjoy working with each client individually and assisting them with their day to day operations."
